TIPS & TRICKS

- Most items are simultaneous reads! No waits or holds!

1. Go to <http://virl.bc.ca/elibrary/resource/oneclickdigital> or download the OneClickdigital App from your App Store.

2. Create a OneClickdigital username and password.

Sign in if you already have an account. Select your country, province, and library name.

3. Browse the OneClickdigital collection.

You can browse the featured book lists or use the search feature to find specific titles, authors, narrators, genres or keywords.

4. Checkout and read or listen.

Once you've made your selection, click "Checkout Now". The title will show up on your "My Titles" page.

You can then download and read or listen to your item.

In Read or Play mode, select the settings icon to update your reading or listening preferences.
