TIPS & TRICKS

- You must have the green "HotSpot" cup turned on
- Unlimited access and no authentication needed in branch
- Once you signed in remotely, you have 72 hours unlimited access before you have to sign in again.

1. Download & Login

Go to <http://virl.bc.ca/elibrary/resource/pressreader> or download the PressReader App from your App Store.

Login to PressReader with your library card and PIN.

Create a customized profile once you've logged in.

2. Browse & Read

Browse the Home Feed for top stories of the day, browse via publication, country, language or alphabetically. Click on the article heading or the little green arrow at the end of the article to reveal the full story.

You can also search for specific text, headlines, publication titles, authors, languages, or dates using the search box.

3. Personalize

Once you've signed in with your library card you can create an account with your email address and personalize your reading experience.

Customize your **Home Feed** to be as unique as your reading interests by:

- **Country:** Choose from over 100 different countries around the globe.
- **Sections** from specific publications: Increase the quality and relevance of your newsfeed with your favorite Sports, Business, Technology or Entertainment news.
- **Topics** that interest you, such as politics, technology, sustainability or fitness.
- **Readers' Choice:** A great way to discover interesting news you might not otherwise see.
