

Vancouver Island Regional Library Releases 2014 Annual Report

NANAIMO, July 6th, 2015 – Vancouver Island Regional Library (VIRL) announces the release of its 2014 annual report. The report, themed “Connecting Communities”, summarizes the regional library’s finances, highlights a variety of accomplishments throughout the previous year, acknowledges donors and recognizes the continued dedication and support from the VIRL Board of Trustees. For the first year, the 2014 Annual Report is an entirely digital edition that works to promote VIRL’s eLibrary by including interactive links (Wiki-style), taking readers directly to VIRL’s services for more information. This digital version is also environmentally conscious and a simultaneous vehicle for advertising VIRL’s wealth of digital services.

Vancouver Island Regional Library prepares an annual report as required by the Library Act. Visit virl.bc.ca for more information, or <http://virl.bc.ca/about-us/reports-and-plans> to view the 2014 Annual Report.
