Library Gears Up for Adult Summer Reading Club 2014

NANAIMO, June 10, 2014 – Kids aren't the only ones having all of the fun this summer at the library! Vancouver Island Regional Library is introducing a summer reading club for adults.

Registration for this free summer reading program starts in mid-June at participating branches. The program officially kicks off July 2 and runs until August 20. Visit your library branch to register and pick up your reading record. Keep track of your reading each week of the program for your chance to enter a draw for a prize!

The new Adult Summer Reading Club (SRC) program is designed to remind adults of the joy of leisure reading and to encourage them to model this behaviour for children in the community; especially those participating in our kid's summer reading club.
