

# instructions - tales book muncher

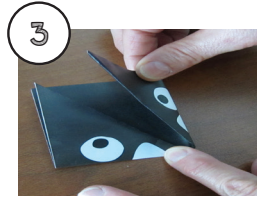

Materials required

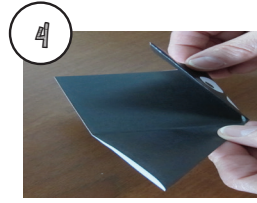

1 Cut out the pieces.

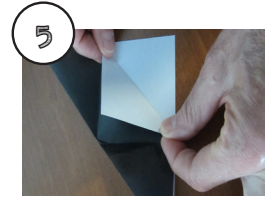

2 fold the paper in half so that the corners touch and you make a triangle. Make sure the eyes are on the same side.

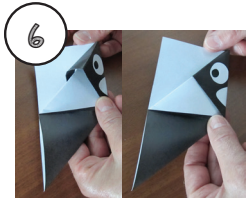

3 turn the triangle over and fold the left and right corner to the centre point. You will see the eyes together now.

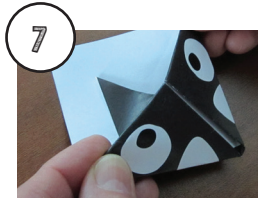

4 Unfold eye flaps as shown.

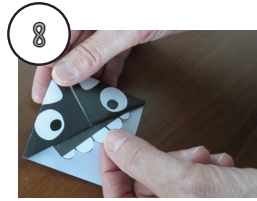

5 fold down one flap of the middle section (that does not have eyes) to meet edge.

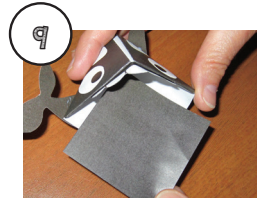

6 fold one eye flap over and tuck under the pocket you just made.

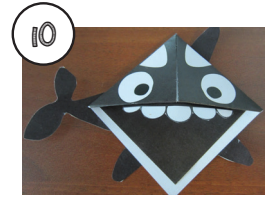

7 repeat for the other side.

8 Now you can glue on the teeth - glue your teeth to the inside of the mouth as shown.

9 take the black square and glue the back of it inside the tales book muncher as shown.

10 glue on the fins and tail.

Your tales book muncher is ready!
