Mini Bow-and-Arrow Instructions

<http://thebroodinghen.blogspot.ca/2010/06/tiny-bow-arrow.html>

- Cut four small notches in the popsicle stick
- Then soak the popsicle stick in water for an hour or more
- Tie the string around one end of the popsicle stick and wrap it a few times
- Gently bend the popsicle stick
- Wrap and tie it on the other end making sure the string is taut and on the same side of the popsicle stick on both ends
- Cut one end off of a q-tip
