THE BASICS

You will need:

- Active Vancouver Island Regional Library (VIRL) Card
- Internet access (connected to a VIRL branch's WiFi if using the mobile app)
- Smartphone, tablet, or computer

Loan Rules:

- Unlimited access to online newspapers and magazines (via browser)
- 10 publication downloads within 24 hours via mobile app at your library branch
- Unlimited access on the app within a VIRL branch

1. Go to <http://virl.bc.ca/elibrary/resource/pressreader> or download the PressReader App for Libraries from your App Store.

2. Login to PressReader on your browser at home with your library card.

Note: If you are using a tablet, you have to be in a library branch to download content. You will have access to downloaded content for 2 days.

3. Browse the PressReader collection.

You can see the top news articles of the day, browse via publication, country, language or alphabetically.

You can also search for specific text, headlines, publication titles, or authors using the search box.

4. Select and read.

Find a paper or title you like and select by clicking on the picture of the item. PressReader has many navigation features you can use to zoom, and read the articles you want.

PressReader has other great features including:

- Article translation;
- Audio narration;
- Sharing via social media and email; and
- Customization of languages and font-size
