

THE CASE OF THE MISSING MEDALS

SPY ACADEMY WEEK 3

CLUE #3

While Tales was examining the box the SRC medals were stolen from, he noticed a strand of hair inside the box. The hair must belong to whoever stole the medals!

However, Tales knows that one of the suspects in the case is bald and has given you a puzzle to help figure out who that is.

Solve the puzzle below to figure out which suspect is bald and can be eliminated from the case!

Hair Sample Puzzle

$$\text{LOOK- L} + \text{🐝} =$$

The answer to this puzzle hints at what the eliminated suspect does for work

Check **CASE FILE** for what each suspect does for work

Eliminated Suspect: _____
