

THE CASE OF THE MISSING MEDALS

SPY ACADEMY WEEK 4

CLUE #4

The delivery room is protected by a security system. One suspect is way too short to have been able to sneakily get to the medals without an alarm going off.

Solve the maze on the following page by following the lines to match the suspect to their height. The suspect with the shortest height can be eliminated from the case!

Eliminated Suspect: _____

Nancy
Nanaimo

Matilda
Masset

Renee
