

How to print your shelves and lists from Bibliocommons

1. Log in to Bibliocommons. (<https://virl.bibliocommons.com/>)
2. Select the drop down arrow beside the user name (top right) to view your My Account Details.
3. Under My Collections heading, select a shelf to view. All of your shelves (For Later Shelf, Completed Shelf, and In Progress Shelf) can be printed

4. The shelf list will display.
5. To print all items in the shelf list, select the print option appearing at the top right of the collection.

6. Select the "Print these 25" button. A maximum of 25 titles print per page.

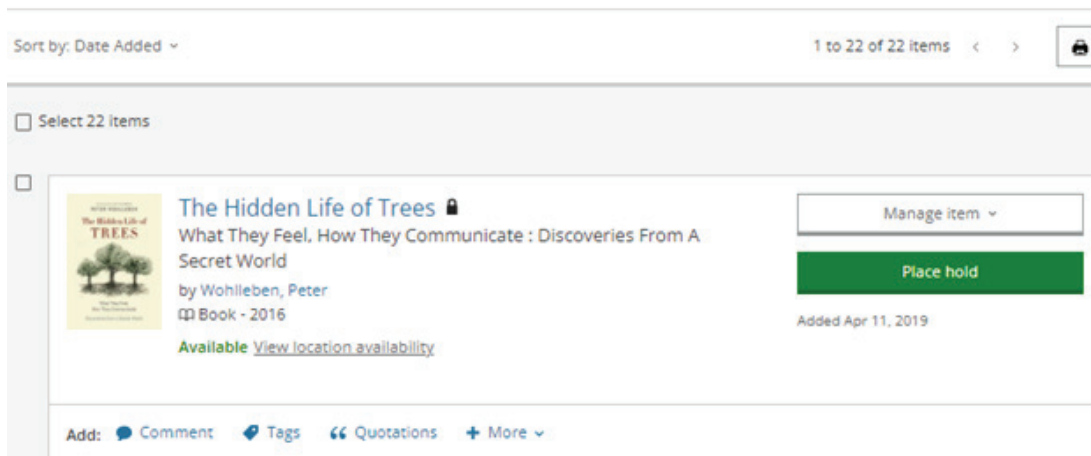

testuser's For Later Shelf

41 items

Title	Author	Format	Call No.	My rating
Starcatcher	Greta Van Fleet (Musical group)	Music CD, 2023	CD 781.66 GRE	

- Once printed, the next 25 titles may be loaded by selecting the "Load next 25" button. Repeat this process until all pages have printed.

Example of a shelf:

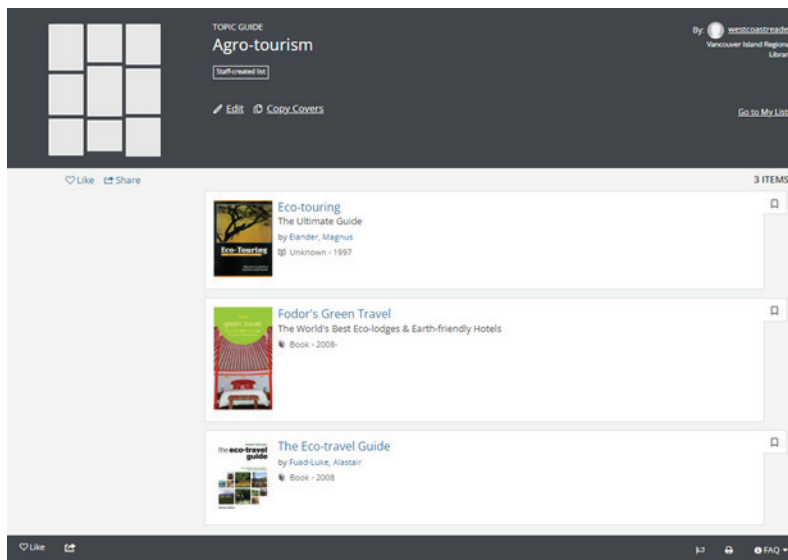

- Under My Collections: View your lists. Select a specific list. You'll see a printer icon located at the bottom-right of the web page in a grey bar next to the FAQs link.

- Print option at bottom right of the web page.

Example of a list:

Lists can be printed with or without images.

NOTE: There is an option to share your shelves and lists but please keep in mind that the shelf and list URLs will no longer work after we discontinue our use of Bibliocommons.

Please see staff if you have any questions.
