

What is a syrinx?	Draw a picture of a songbird from BC	Go for a walk and count the songbirds that you see	Make a snack that a songbird would eat
Name 5 different songbirds from your area	Enjoy a book about a songbird	Name 3 reasons why birds sing	Create a song about a songbird
Do a funny bird dance	Create your own birdcall by whistling or singing	Play an instrument you have never played before	Birds "cache" food to survive the winter. Write your name on a slip of paper. Hide the paper in your yard and see if you can find it in the morning. Did you survive the cold winter months?
Learn a bird call	Draw a picture of a songbird	Find out what Herbst corpuscles are	Find 3 things that make songbirds special

Name: _____ Number: _____

Branch: _____

- Cross off as the squares doing the activities.
- Once you have crossed off all the squares, fill out the draw slip and drop it off at your local library to enter a giveaway. You could win a pair of binoculars (approx. value \$55)!
- The giveaway is for kids 0-12 years in our Vancouver Island Regional Library service area and runs **March 9-April 2**.
- One entry per person.
- Please review the giveaway criteria and rules on our website, virl.bc.ca, by following the QR code below. By entering this giveaway you agree to the rules.
- We'd love to see you exploring, writing poems, or your completed Take and Makes! Send your photos to us at kids@virl.bc.ca or tag us on Instagram @vilibrary or Facebook @MyVIRL.
