

TINY ART KIT

Teen Summer Challenge DIY-to-Go

Included:

- 3x5" watercolour paper
- tiny paintbrush
- mini paint dot card

Not Included:

- water
- additional media
- inventive painting tools

To use paint-dot cards, just dip your brush in water and touch it to the dots - they're little patches of watercolour paint! There's enough on your card to do your mini-painting in six colours.

Instructions:

Make a painting! It can be a painting of whatever you want.

New to watercolours? You can just start with a bunch of colours in washes like this and build from there - follow your muse!

Take your mini water-colour kit out into the world and let your eye, whimsy and imagination guide your artistic efforts.

Or dream it up right out of your imagination.

You can also experiment with other tools for the paint - qtips! feathers! - and other media (do a sketch under the watercolour! mix media with glitter, feathers, sequins or anything your heart desires!) to finish your masterpiece and then share it with the world - or not!

Kit includes one 3x5 card of water-colour paper, one tiny brush and a paint-dot sample card with enough paint to fill your miniature work with colour. You can watch a demo here: <https://tinyurl.com/VIRL-TSC-paint>

Send us a picture at teensc@virl.bc.ca and let us know if we can include your work in our virtual display.
